

Campus visitors

For the safety of our children, all classroom/campus visitors are asked to report to the school office, sign-in, and wear an identification badge. Parents who wish to visit a classroom should call beforehand to check the teacher's schedule and program for the day. Because the District wishes to maintain an undisturbed learning environment, friends, preschool children, and relatives other than parents/guardians are not permitted to visit classrooms during the school day except in the event of special programs or by special invitation.
