Topic: OTA Fundraising 2018-2019

Discussion/idea

- Our auction was successful. We raised \$55,000.
- We met our goal of \$75,000 raised for 2018-2019 school year.

Topic: Field day

Discussion/ideas:

- Rebecca typed up a schedule with the stations and and times. Teachers are responsible for their students, and we as volunteers are responsible for the stations.
- The key club is selling hand dipped ice cream as a fundraiser. We will take orders and then turn money in beforehand so the kids don't have to carry money around to the stations.
- Games planned are:sponge relay, potato sack race, water blaster cup knock down, otter pops, bingo, coloring, paint the old playground, ping pong, human dart tag, horse races, scooter races, foosball, board games, tug a war, hula hoop hop/rock paper scissors, relay, balance beam jousting, ladder ball, scarf juggling, kickball, parachute, dance party, hula hoops, jump ropes.
- We will need volunteers to help setup and then manage stations. We will also need help with clean up. The times will be noon- 2pm.
- Monday we will need to make sure otter pops are frozen and count to make sure we have enough.
- Tuesday lets get all the stuff together in wagons ready for wednesday.
- Wednesday we should have 16 helpers from 11:00 to 2:45.

Topic: Fundraising Budget Proposal

Discussion/ideas:

- We have 2019-2020 budget proposal and Rebecca will present to board.
- We have codes for each fundraiser, and this will make it easier for getting reimbursed and keeping track.
