- They need approximately \$8500 more for playground fund to be full
- He is also still working on the volunteers to help with taking apart old playground.
- Removal of parts will cost some money.
- We are hoping to raise the rest of the money needed at the auction.
- Tim wants to complete this during this summer.

Topic: PTC elections for 2019-2020

Discussion/ideas:

- These positions will be posted on facebook, emails will be sent out, and maybe paper letters
- If the current PTC members wish to keep their position, we need to sign up as well.

- The collection dates with prizes or rewards seems to be encouraging the students to bring in more box tops. Next date is April 23rd for popsicles.

Topic: Staff appreciation Week

Discussion/ideas:

- We need to finalize the plans for the staff during May 6-10

Topic: DP Exam Volunteers

Discussion/ideas

- Kass wants a few volunteers to assist with proctoring the exams. They have to have two people in the room. And the volunteers will need a little training before hand.
- Rebecca asked if anyone was willing to reach out to Kass and get volunteers organized.
- Shelly volunteered to email Kass and reach out to handful of parents.

Topic: Spring Book Fair

Discussion/ideas

- Book fair theme is Dinosaurs
- Book fair is May 20-24
- The idea of getting a book fair coordinator was mentioned and we think it would be a good idea for the two book fairs that are held each year.

Topic: Parentvue

Discussion/ideas

- Michelle and Lauren attended the meeting to tell the PTC about the new parentvue that parents will use starting 2019-2020 school year.
- They asked if we would be willing to try it out and then possibly help with the upcoming kindergarten registration in June.
- PTC agreed it would be good for us to be there and promote the PTC to the parents.

Topic: Volunteer events

Discussion/ideas

- Ms. Haefer was in attendance and updated us on some community event she found.
- This helps the school get Disneyland tickets donated for the annual auction.
- The event is April 20th at Oxbow park. It's a clean up event and everything is provided.
- Ms. Haefer would like to make it an annual OTA event where the entire family would attend on Earth day.

- She said it was short notice this year, but is still advertising in hopes of having a decent turn out.
- The PTC loves the idea of this annual event to volunteer.
