

## Talented and Gifted Program

Due to the current circumstances around the Covid-19 pandemic in Oregon the OTSD Talented and Gifted program TAG student identification process has been modified to meet the needs of the Comprehensive Distance Learning model for the 2020-2021 school year. There are a few paths that teachers, students and parents can take to start a nomination for TAG identification.

If you have a student that you believe should be considered for TAG identification; please submit the following documents to the district TAG coordinator for the 2020-2021 school year.
