**About Our School**

**ADVANCED COURSEWORK**

As a K-12 International Baccalaureate continuum school, OTA offers transdisciplinary instruction in its Primary Years Programme (PYP) in grades K-5 that readies students for increased rigor in the grades 6-10 inter-disciplinary Middle Years Programme (MYP). The MYP courses are equivalent to or surpass requirements for honors-level courses. The junior and senior year Diploma Programme (DP) readies students for college and beyond through its advanced coursework. Students who successfully complete the DP (it is exam based college-level coursework), may earn college credit for those courses.

**CAREER & TECHNICAL EDUCATION**

Over the past three years we have added one grade per year at the high school level ending this school year (18-19). 12th grade added and the school’s inaugural graduating class. The process of reviewing CTE courses/programs that will best meet the needs of our students is ongoing.

**EXTRACURRICULAR ACTIVITIES**

At the Primary Years Programme level, students engage in experiential learning activities, academic competitions, student-directed learning, and exhibitions. Examples include field trips, Oregon Battle of the Books, and Fifth Grade Exhibition.

At the Middle Years and Diploma Programme levels, students engage in Student Council, Key Club, sports at their home schools, community projects, and service learning.

**PARENT & COMMUNITY ENGAGEMENT**

As a school of choice, OTA has ongoing initiatives to engage parents and the community with the school. These activities include, but are not limited to:

- Site Council
- Community members on the school budget committee
- Student-led conferences
- Curriculum nights
- Oregon Battle of the Books
- Student-designed community projects
- Parent-Teacher Club
- Fundraising events such as the annual OTA Auction
- Regular communication through multiple media such as Facebook and the OTA Website
