

Sandy School-Based Health Center
37400 Bell St. Sandy, OR 97055 (503) 668-3483

Dear Student or Parent of the Oregon Trail School District,

Students in the Oregon Trail School District have access to comprehensive physical, mental, and preventive health services at the Sandy School-Based Health Center. The clinic is staffed by a family nurse practitioner, mental health therapist and certified medical assistant who are dedicated to creating a safe and inviting environment for students in grades K-12.

Students are welcome to make their own appointments or parents can make appointments for their student(s) to be seen during school hours, which are Monday through Friday, from 7:00 a.m. to 3:00 p.m. The clinic is closed when school is not in session*. If you wish, you may complete the enclosed Consent to Treatment form for your student and **return with other registration materials.**

No student is denied services due to lack of insurance, but whenever possible, insurance will be billed. No co-pay is charged. Students and families will not be responsible for any balance not covered by insurance. If you have insurance, please bring your insurance card to the appointment. **Please complete the form on the back of this letter, or provide a copy of the student's insurance card (front and back) and return it with registration materials.** Ability to bill insurance helps support the Health and Wellness Center.

The following services at the School-Based Health Center focus on preventing illnesses and promoting healthy behaviors:

- Diagnosing and treating injury and illness, referrals to specialty care as needed
- Comprehensive physical exams and sports physicals and concussion checks
- Mental or emotional health services
- Health education and wellness counseling
- Screenings (blood pressure and vision)
- Lab tests and Immunizations
- Coordination of care with the student's primary care provider

Call us at (503) 668-3483 during the school year to make an appointment or if you have any questions.

Sincerely,

Kim Ball, Principal

Erin De Armond-Reid, Manager, School Based Health Center (503) 723-4954
