

March 16, 2020

Dear Oregon Trail Families,

We continue to closely monitor the COVID-19 health issue and will update you if there are any changes that may affect our students and schools. Our primary concern is for the health and safety of our students, staff, and community.

At this time, our school-year calendar has not been revised. We will treat these seven (7) days of school closure the same as inclement weather days. You may view the district school-year calendar on the homepage of the district or school websites, or in ParentSquare.

If we experience a prolonged closure, we will reevaluate the need for alternative instruction opportunities. During this short closure we encourage you to keep your child engaged in learning. Online resources are available on the OTSD Students webpage at oregontrailschools.com/students. Select your child's school to access the resources.

For COVID-19 information, check our website at: oregontrailschools.com/COVID-19.

Thank you for your support and collaboration during this challenging time.

Sincerely,
Superintendent Aaron Bayer
