K-8 Distance Learning begins this week

We hope you had a wonderful day today with your family, and with your extended family and friends in your virtual network!

REMINDER: K-8 Distance Learning begins this week. Teachers will contact you with information about their Google Classroom

- Classes occur in Google Classroom, and that's where you will access class work.
- The Supplemental Resources webpage is separate from Google Classroom, it's not where you access class work.

Need help with school-issued technology?

If your school-issued technology is not working, please give us a call at 503.668.1231 from 10am to 2pm Monday through Friday. You may also email our Technology support department at techhelp@sys.ortrail.k12.or.us for assistance.

Need help with Google apps?

Go to the district (oregontrailschools.com) or school website, select "Supplemental Resources" at the top of the page, then select "Google App Resources" to view "How to..." videos. You may also contact one of our teacher/media specialists below.

Note: For security reasons, office hours meet links are *only* open to Oregon Trail emails. If the link doesn't work when you click it, that is the reason why. You can either log in with your child's school email address or contact us by email or phone as an alternative.

Contacting your school:

No one is physically in the school offices answering phones. While you may leave a voicemail, **email** is the best way to contact any school staff member. For staff email addresses go to the school website, select "About (school name)" at the top of the page, then select "Staff Directory" on the left side of the page.
