

2021-22 Student Investment Account Annual Report

Question	Responses
<p>1. What changes in behavior, actions, policies or practices have you observed related to SIA implementation during the 2021-22 school year? How do you see these changes contributing to the goals and outcomes in your SIA plan?</p>	<p>Due to the implementation of SIA during the 21-22 school year, we observed an increase in our graduation rates and student achievement in a handful of our schools.</p>
<p>2. What barriers or challenges to SIA implementation have you experienced that are helpful for your community and/or state leaders to be aware of? What adjustments, if any, did you make to your SIA plan as a result of these challenges?</p>	<p>Staffing has been our biggest barrier. We have a great plan to support students and education, we just need the staff to pull it off.</p>
<p>3. SIA implementation includes ongoing engagement with all students, focal students, families, staff, and community partners. How have relationships with or between those groups changed and/or been maintained throughout this academic year? Consider the Community Engagement Toolkit and where your efforts might land on the Levels of Community Engagement spectrum as you complete your response.</p>	<p>We continue to engage all stakeholders through the Superintendent’s Leadership Council, surveys, parent listening sessions, along with group and 1:1 feedback from all students, focal students, families, staff, and community partners.</p>
<p>4. As you think about what guided your choices and prioritization efforts in this year of SIA implementation, what stands out? How will what you’ve learned this year impact future SIA implementation efforts?</p>	<p>We are really excited about the success and positive impact it is having on student learning across the district. We are even more excited to capitalize on these wins and replicate them at other schools to help the greater good be elevated and supported.</p>
